Water Interruption

Dear Residents of 200 Rideau,

Please be advised that, in accordance with City requirements, testing of the building's backflow preventers will take place on:

Wednesday, May 6, 2026
Starting at 9:00 a.m.

The work is expected to take approximately three (3) hours. During this time, there will be interruptions to the water supply.

We kindly ask that you do not use any water (including taps, washing machines, or dishwashers) between 9:00 a.m. and 12:00 p.m.

Once water service has been restored, you may wish to remove the aerator from your kitchen faucet and run the water until it clears.

Thank you for your cooperation.

Sincerely,

Meaghan Maloney – OLCM-L
Assistant Condominium Manager
As Agent for O.C.S.C.C. No. 803
