

Bike Storage

Dear Residents:

The Corporation has received requests from residents who wish to use the elevators to transport their bikes to and from their Units.

The Board will allow bikes on **elevator 3** only (the elevator with the pads installed) on a temporary basis ending on November 1, 2023.

Bikes must be brought in through the garage lobbies (P1); never through the ground floor lobby.

Bikes are **not** to be stored in the hallways or on your balcony.

Please be careful not to scratch the walls or your Unit Door when moving your bike.

Mike Fraser, ²⁰YEAR RCM, ACCI, GL
