Interruptions to Domestic Hot-Water Supply

Please be advised that Kean Plumbing will be installing isolation valves on the boilers on:

Tuesday, March 31, 2026
8:00 a.m. – 4:00 p.m.

During this time, residents can expect interruptions to the hot water supply, with little to no hot water available while the work is underway. Cold water service will not be affected, and all taps, showers, and toilets will remain operational.

Thank you for your patience and cooperation. If you have any questions or concerns, please contact management.

Sincerely,

Meaghan Maloney – OLCM-L
Assistant Condominium Manager
